

Annual Roadside Clean-Up

News Release Date

04-26-2024

The Belvidere Environmental Commission will be hosting our annual roadside cleanup in the Town of Belvidere on Saturday, June 1, 2024 from 9:00am to 11am, rain or shine.

Clean Community Grant monies will be available to nonprofit groups. To give all nonprofit organizations equal opportunity, the number of participant organizations will be limited. Your request to participate will be taken and your organization will be notified of approval. The form to request to participate is available on the town website. Completed forms need to be submitted to tammykoop69 [at] gmail.com by May 22, 2024.

We are also able to certify volunteer hours for high school students. Any interested resident is invited to attend and does not need to pre-register.
