

Belvidere Environmental Commission

Our meetings are on the fourth Thursday of every month at 7:00 PM at the Community Center @ Belvidere, 301 2nd St, Belvidere. Belvidere Shade Tree Commission meets with us.

Belvidere Environmental Commission
Mission Statement:

1. Review and provide comment to land development applications to ensure compliance with local, state and federal environmental regulations and identify any environmental concerns

relative to proposed land development;

2. Review and provide comment to any proposed property use changes relative to potential environmental concerns, including property use restrictions, to ensure protection of human health and the environment;

3. Track and follow-up on approved property development plans to ensure adherence to plan approvals relative to environmental concerns; and

4. Interact with Town Council, Planning Board, and Town Engineer, as necessary, to ensure compliance with any matters relative to environmental concerns to ensure protection of human health and the environment.
